# KOHLER Marine Generators

KOHLER Diesel Marine Generators provide commercial users and recreational enthusiasts with dependable power and performance. Kohler has built an 80-year reputation of quality, reliability and innovative technology. Today, Kohler has taken its rightful place on the leading edge of power generation solutions for residential, commercial and industrial standby/emergency power, distributed power, recreational power, marine power and more. And with every major component of a Kohler diesel generator being designed, manufactured and assembled start to finish in Kohlers own facilities, there really is no comparison as to why Kohler is a leader in marine power systems.

| MODEL NUMBER                    | 5EFKOD         | 7EFKOZD        | 9EFKOZD         | 11EFOZD         | 13EFOZD         | 17EFOZD         | 20EFOZD         | 28EFOZD         |
|---------------------------------|----------------|----------------|-----------------|-----------------|-----------------|-----------------|-----------------|-----------------|
