

MULTI-TRANS DEGREASER

PRODUCT DATA SHEET

PRODUCT DESCRIPTION

Multi-Trans Degreaser is a powerful solvent free engine degreaser that breaks down and dissolves grease, oil and road grime. Multi Degreaser is solvent free, water based formula offering better health and safety for you and the environment

CHARACTERISTICS

Multi-Trans Degreaser is suitable for cleaning of all heavy transport equipment and can also be used as a general purpose cleaner for floors, external walls, driveways etc. Being water based it has the ability to lift-off oil, grease and grime that has sunk into concrete floors and driveways.

FEATURES AND BENEFITS

- Powerful oil and grease lifting additives
- Ability to clean a vast range of applications
- Incorporates low toxicity
- Non flammable
- Safer product to use and environment friendly additives
- Contains the ability to remove road film
- May be applied with a brush, swab or water
- Flexible application and ease of use

APPLICATION

Generously spray engine, external walls, driveways etc. and allow soaking for several minutes. Pressure rinse for best results.
