

CONSUMABLE PRODUCT LIST

TDX

World-class experience.
Local know-how.

**TDX IS THE EXCLUSIVE
DISTRIBUTOR OF SHELL,
THE WORLD'S NO.1 OIL AND
LUBRICANT SUPPLIER.**

As New Zealand's exclusive distributor for Shell Lubricants, we understand you need to trust the lubricants you use to keep your business running.

At TDX we use Shell across all our 18 workshops.

Shell is a proven lubricants supplier having been named the #1 global lubricants supplier for the 16th year in a row.

We're your one-stop shop.

We have a comprehensive range of cleaners, coolants and other workshop consumable products to complement our Shell product range.

We also have one of the largest stock holdings of Donaldson, Sakura, Racor and a range of OEM filters.

Flexible Delivery.

Our custom built bulk delivery trucks are based in Auckland and Christchurch. With the capability to pump-out both IBC and drums, or carry palletised product there is a delivery solution to meet your needs.

Where bulk tanks are installed, TDX can install remote tank sensors which will allow us to monitor levels and be proactive to reach out for delivery planning. You can be sure that your business will never run out of oil.

Confidence in Supply.

We have national distribution centres in Christchurch and a new purpose built 4,700sqm facility in Cambridge.

Our customers have the confidence that we will have stock when they need it.

ECO

Technical Expertise.

Our technical team live and breathe oils and lubricants. They have the knowledge to understand your business and support you with all lubricant technical inquires. Under this Partnership Agreement, TDX can offer Shell training courses of different levels via online and face-to-face instructor lead. This same Shell training forms part of our own workshop apprenticeship program.

Status Oil Sampling.

We will offer a personalised sample interpretation through our Shell Lubes support team who will review each oil analysis result and translate it into a recommendation for action. Your team can respond to this and mitigate potential component failure.

TradeDoor Online Portal.

TradeDoor is our e-commerce portal. Through this doorway, you can check product price and availability and place orders 24-hours a day.

Every dollar spent on orders through the portal is rewarded with our Portal Points program. You can redeem these portal points online.

LubeMatch & Rego Checker.

These online tools allow you to quickly and easily find the right product for your vehicle or equipment and add it directly to your TradeDoor order cart.

Shell Lubrication
Distributor

South Auckland Motors

**Shell Lubricants
Distributor**

Shell

For the 16th year in a row, Shell is the number one global lubricant supplier, delivering market-leading lubricants to consumers in over 100 countries. Shell Lubricants brings world-class technological insights to its products, offering you the best formulations for your application. All Shell products ensure high performance, long service, complete user satisfaction and absolute respect for the environment. At TDX we have a nationwide workshop network and so we understand the benefits of Shell as we use it every day.

Shell 2T

Shell 2T is a quality oil specifically blended for all standard two-stroke petrol engines. Based on a high viscosity index mineral oil containing carefully selected additives to provide long and trouble-free performance.

Product	1L
SHELL 2T FA	550016701*

Shell AeroShell

Be it aircraft piston engine oils, jet oils, greases or hydraulic fluids, AeroShell is one of the most comprehensive and proven ranges of aviation lubricant products.
